# Logo & Brand Identity

Whether you're starting a new business or looking to revamp your image, I will help you make your vision a reality. I understand that the logo and branding of a business is central to its identity, so I won't finalise a design until you think it's perfect. I am not happy until you're happy, so take as long as you need to request changes and settle on a final design.

**DRIVE-IN CINEMA PROPOSAL**

**Why drive in theatre**

Do you remember the last time you stepped into a movie theatre?

The smell of fresh popcorn and the experience of watching your favourite stars cannot be substituted by the current platform of streaming movies. While theatres in India may open soon, chances of people risking their lives over movies are pretty less! Film lovers are looking at other options to watch a movie. What better than a DRIVE IN CINEMA?

**Revenue generation**

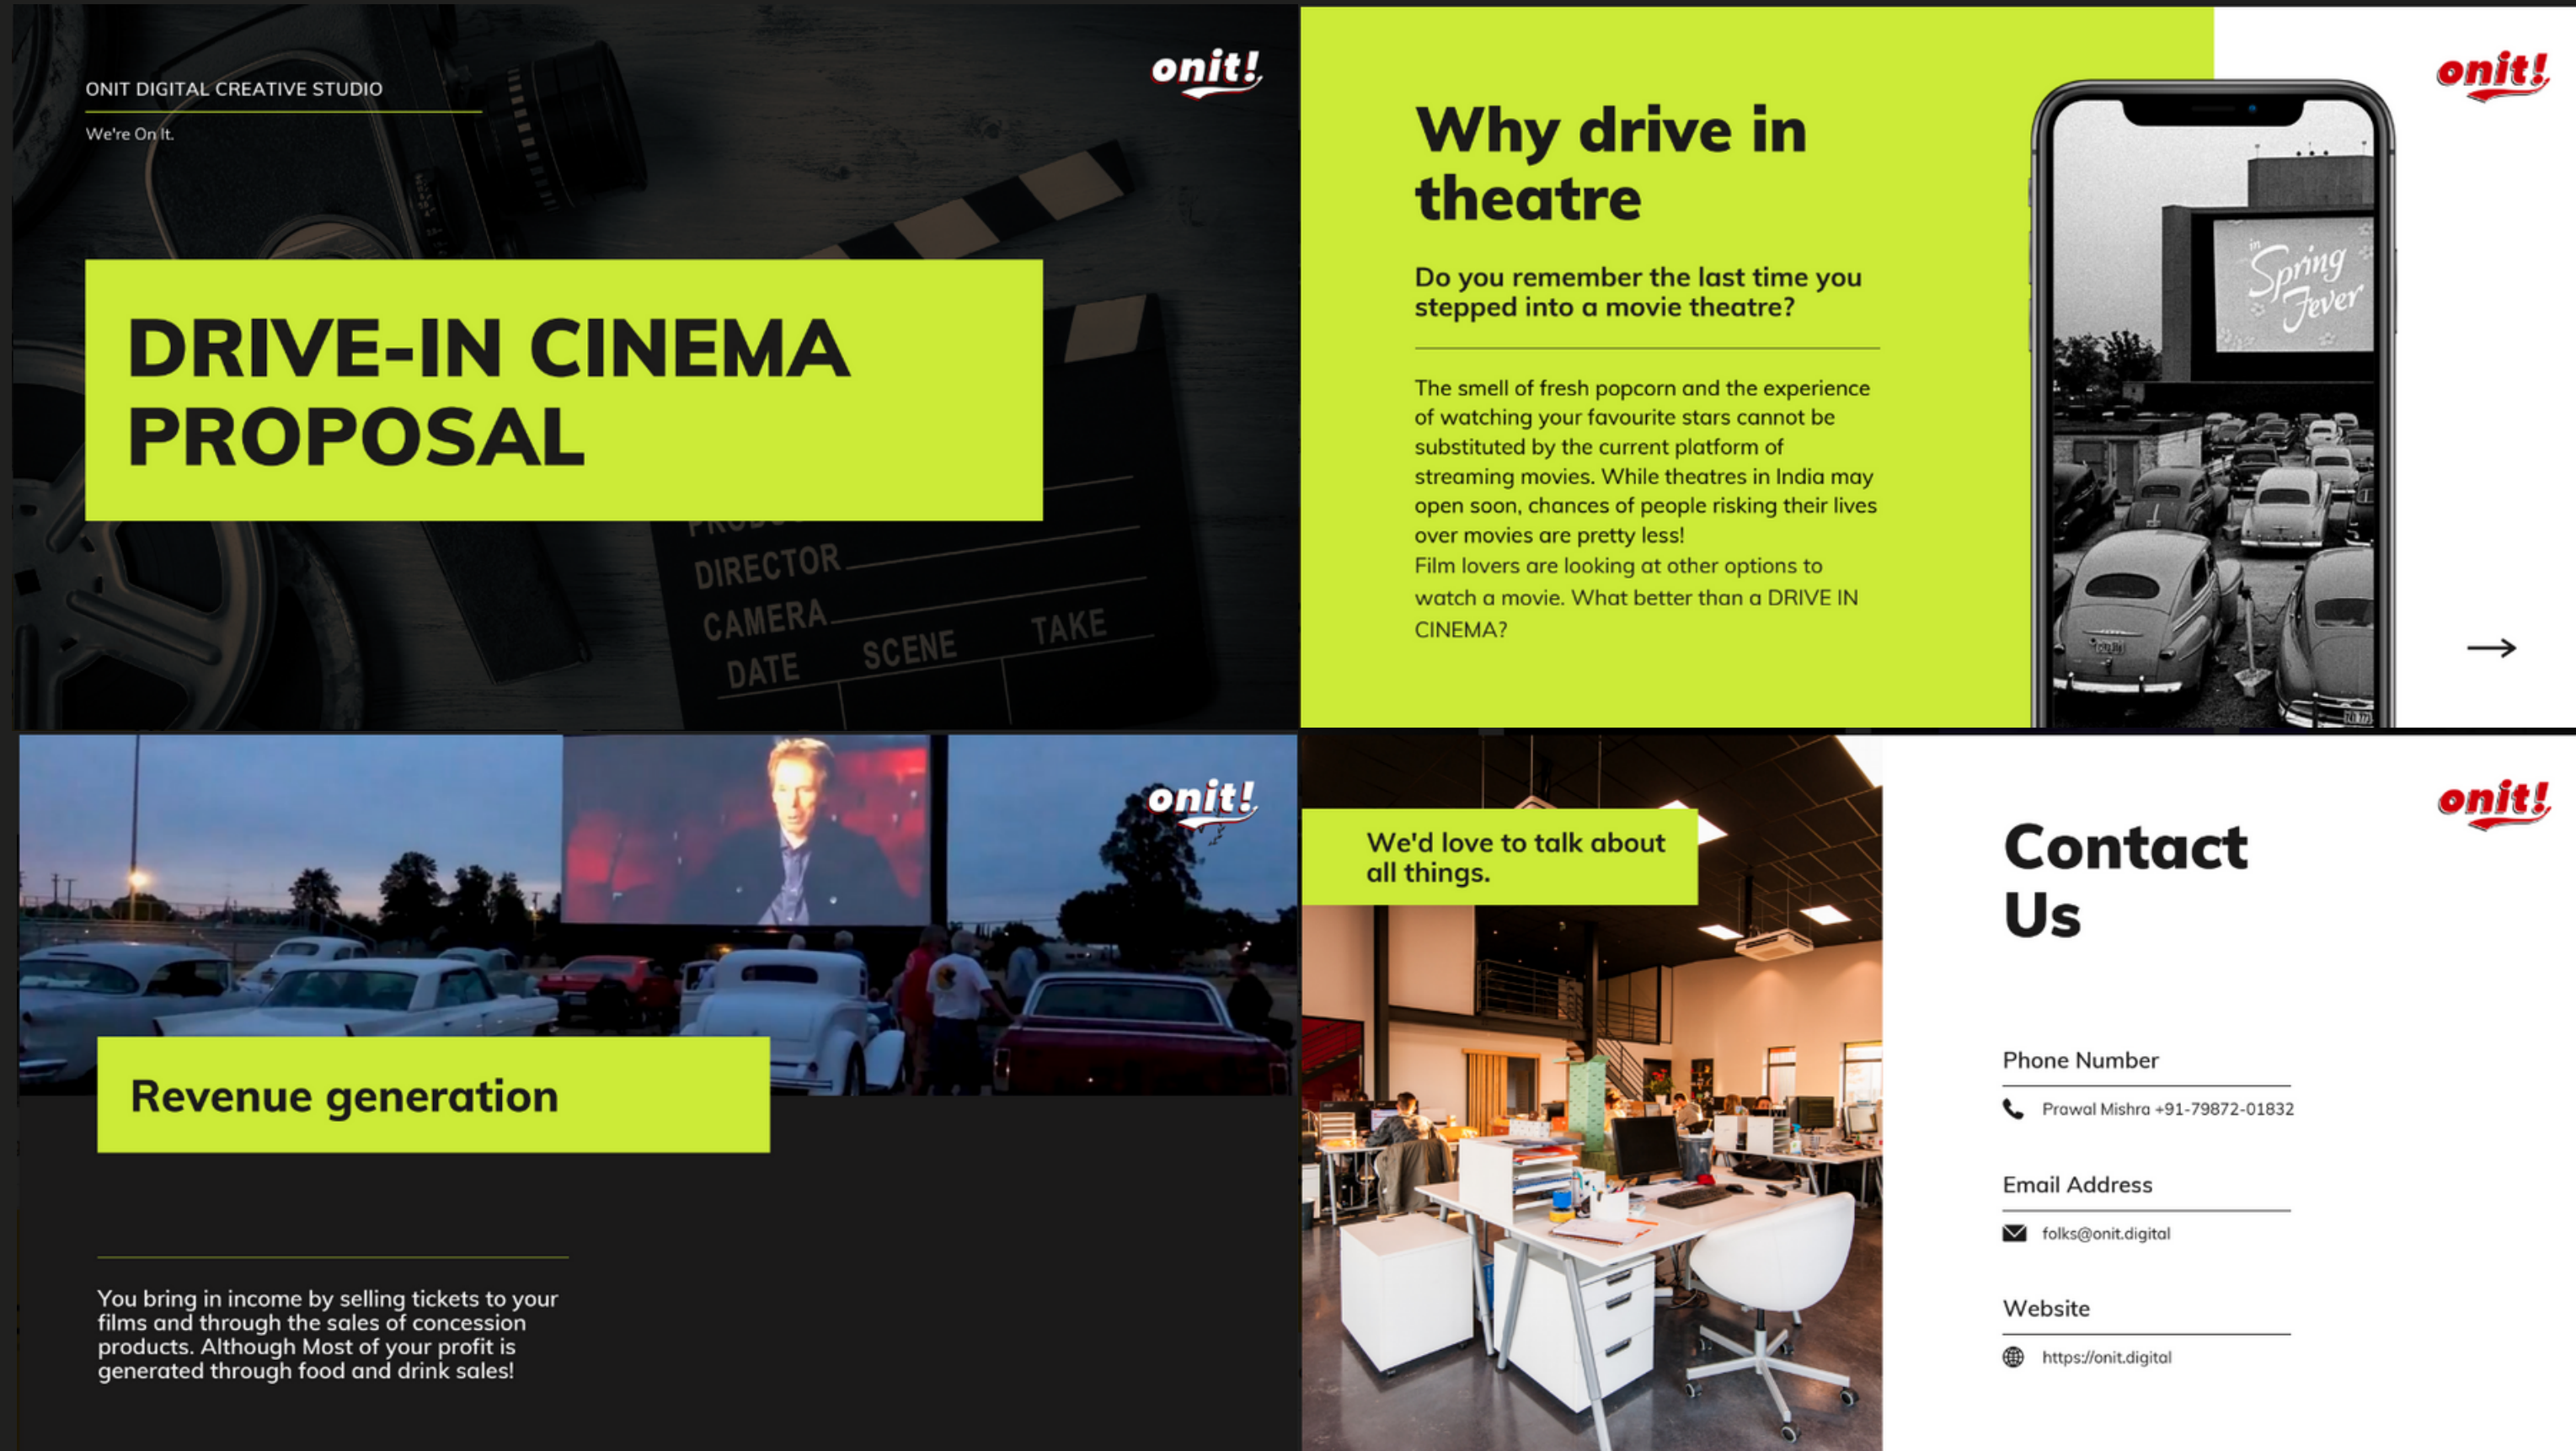

You bring in income by selling tickets to your films and through the sales of concession products. Although Most of your profit is generated through food and drink sales!
