THE BLUETICK

Roadmap

WE THOUGHT

Two heads are better than one and the same goes for strategic alliances.

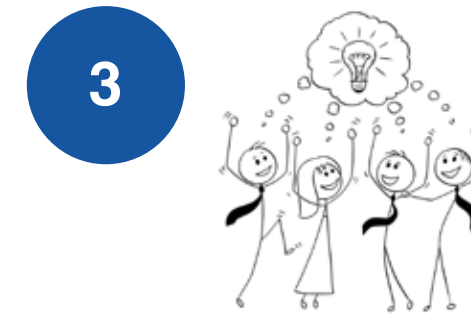

So we decided to fuse old age experience to new age expertise to enhance client experience and satisfaction.

WE FOUGHT

From pandemic delays to getting our strategies in place, we fought it all finally get started post pandemic

Team of about 100 professional spread across various strategic demographics

WE CREATED

Teams and services which cut through the communications domain

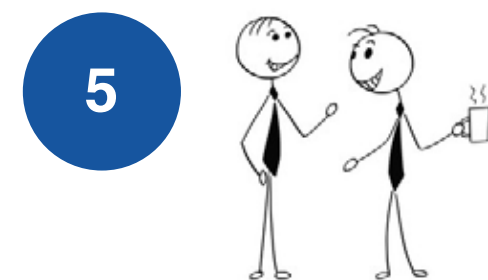

We provide the actual 360 degree solutions across existing and emerging mediums

WE NETWORKED

We met experts and stalwarts to gather as much insights as possible and we spread

Strategic core team at Indore, Bhopal, Mumbai, Delhi and Ahmedabad, and strategic teams at Chennai, Bangalore, Nagpur, Gwalior and Hyderabad across India and Dubai, Singapore internationally

WE DISCOVERED

Potential in the market, potential in people and potential in ideas and then it was about weaving it into a fabric called market leadership

A strong board with a cumulative experience of about 100 years

WE EVOLVED

From communications novices to communications strategists the journey has been nothing short of exciting

A 15 year cumulative journey, now encompassing 350 plus clients from varied domains
