VEHICLE TRACKING
FIELD STAFF TRACKING SOLUTIONS

GPS Tracking Solutions

A vehicle tracking system gives the user access to track and gets real-time updates on the exact timeline of the vehicle's location and travel history. Similarly, we have a Field Staff Tracking System where you can manage your field employees with real-time tracking.

GPS Tracking Applications

Vehicle Tracking System

- Live Vehicle Tracking
- Daily KM/Mile Reports
- Ignition-on/off Alert
- 60 Days History
- Geo-Fence Alert

Field Staff Tracking

- Get your field staff attendance
- History Reports
- Live Tracking on Map
- GEo-Fence Alert
- Manage Filed Expense

Dash Camera with Live Streaming

- Live Streaming from Vehicle
- Fleet Dashcam GPS Tracking
- 24/7 Fleet Camera Footage
- iPhone / Android App
- Access Web Application
